Cross Training Courses.

---

**“8 in 10 surveyed parents said they would pay more for a trained babysitter who holds Red Cross babysitting certifications”**

---

The American Red Cross is the nation’s leader in babysitting classes and childcare training – and will prepare you to become one of the most capable, trusted and in-demand sitters in your neighborhood. In fact, 8 in 10 surveyed parents said they would pay more for a trained babysitter who holds Red Cross babysitting certifications. Start your babysitting business on the right foot and learn how to be a safe, professional, and reliable sitter.

Our babysitter class gives you access to best-in-class instructors who will share the latest information on childcare, offer tips, and can answer all of your questions so that you're ready to start your own babysitting business. With lecture and class activities, this course is engaging, informative and fun.

---

My two daughters attended this class. They found the class to have covered many important topics and provide very valuable information. They were engaged the entire class. I would recommend this class to any soon-to-be mother's helpers and/or babysitters.

- Lara H

---

## Course Purpose

---

To provide students with the knowledge and skills necessary to give care safely and responsibly for children and infants.

To help students develop leadership skills; learn how to develop a babysitting business, keep themselves and others safe and help children behave.

To train babysitters to overcome any reluctance to act in emergency situations. and at the lay responder level.

To teach babysitters to recognize and care for different life-threatening respiratory or cardiac emergencies in children and infants.

To teach babysitters to sustain life and minimize the consequences of injury or sudden illness until medical help arrives at the lay responder level.

---
